DECISION

of the Governing Board of the National Agency for Quality Assurance in Education and Research no. 48 of June 25, 2021

on the external quality evaluation results of the continuous professional training programme Leadership and Management, full-time education, requested by the member universities of the University Consortium "Moldova Higher Education Leadership and Management" on 09.04.2021, the dossier FPC.AFP.PFPC-133

Based on the information presented by the Technical University of Moldova, as a representative of the University Consortium "Moldova Higher Education Leadership and Management (MHELM)", in the Self-evaluation report, the evidence provided and the findings made during the external evaluation site visit in May 18-20, 2021, the external evaluation panel, composed of: chairman – Șavga Larisa, members – Perciun Rodica, Catan Petru (approved at the meeting of the Governing Board of ANACEC of 27.04.2021, minutes no. 63), developed the External evaluation report that was sent to the institution on 31.05.2021, that received no comments. The External evaluation panel wrote the final External evaluation report on the quality of the study programme and presented it in the meeting of the Profile Committee in the field of continuous professional training on 15.06.2021.

Based on the conclusions presented in the External evaluation report and the discussions held, it was established that the findings are presented in a logical and clear manner, the score given is sufficiently substantiated by evidence, the accreditation standards correspond to the set requirements and that the mandatory minimum evaluation standards are met. The Profile Committee in the field of continuous professional training found that the final recommendation of the External evaluation panel is in line with the provisions of the legal framework and validated the external evaluation results of the study programme.

Based on the legal attributions it holds, the Governing Board of the National Agency for Quality Assurance in Education and Research examined the External evaluation report and, taking into account the external evaluation validation results of the programme by the Profile Committee in the field of continuous professional training, decided to propose the authorization for provisional operation of the continuous professional training programme Leadership and Management, full-time education, for MHELM University Consortium composed of:
